Ceramics Exhibition by Sing-ying Ho*

Monday, November 14 - Friday, December 9, 2005
KOA Art Gallery, Blaisdell Hall
University of Pittsburgh at Bradford

The image shows two views of the same ceramic vase. The left view has a white background, while the right view has a dark blue background. Both views show the same figures and cloud base, but the colors are inverted or shifted to match the background. The vase has a colorful floral pattern on the neck. The text at the top and bottom of the image provides exhibition details.
